

Intra-Africa Academic mobility Project: Collaborative Training in Fisheries and Aquaculture in East, Central and Southern Africa (COTRA)

CALL FOR PhD AND MSc SCHOLARSHIPS

What is the programme about?

The EU under its Intra-Africa Academic Mobility Scheme, has provided funding to support training of graduate students in African universities. In this mobility programme, five African partner institutions and one EU Technical partner will collaborate in the training of professionals to achieve sustainable fisheries management and aquaculture resources that shall lead to increased fish production and enhanced food and nutritional security, and hence, improved livelihood and household revenue.

The project will provide fellowships for full degree programmes (PhD and MSc) as well as short term mobility for students and staff, and will run from 1st November 2017 to 31st October 2022. For degree seeking mobility, the period of mobility will be for the duration of the programme while credit seeking mobility will be for a maximum period of 10 months.
